Explain the reason for submitting or updating legal details...
Helps the reviewer understand the request. 0 / 500

Current approved details

Legal name	Not available
Constitution	Not available
Country	Not available
Version	—

After approval, TRISE records a new immutable version of the legal identity.

⚠ Complete the required details before submitting.

Save draft
Submit for review →

What happens after submission?
An authorized reviewer checks the proposed details and evidence before any approved version changes.

Learn about verification >

Business details are separate from each Service Provider's approval and eligibility.
